BELARG

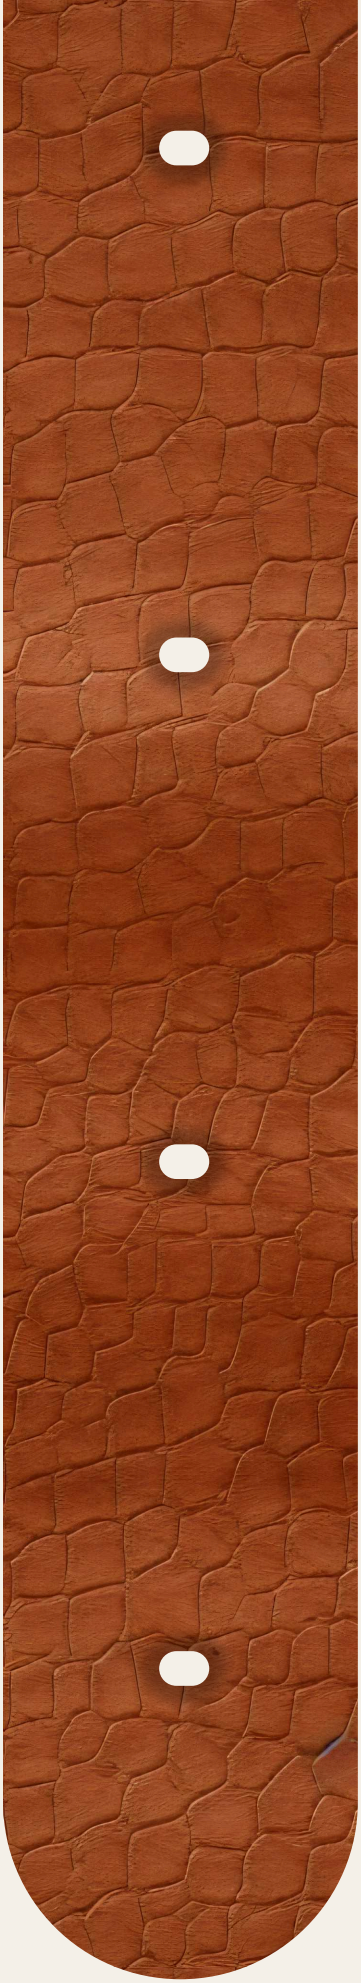
Caring for Your Belarg Leather Goods

At, Belarg, we craft each piece with the finest materials to ensure lasting elegance and durability. To keep your leather bags looking their best, follow these care instructions:

1. **Cleaning:** Gently wipe the surface with a soft, damp cloth to remove dust or dirt. For deeper cleaning, use a leather-specific cleaner and follow with a leather conditioner to maintain suppleness. Avoid harsh chemicals or soaking the leather.
2. **Storage:** Store your bag in a cool, dry place away from direct sunlight to prevent fading or drying. Use the provided dust bag to protect it from scratches and dust, and stuff the bag with tissue paper to maintain its shape.
3. **Moisture Protection:** Leather is naturally water-resistant but not waterproof. If your bag gets wet, pat it dry with a soft cloth and let it air dry naturally—avoid using heat sources like hairdryers.
4. **Hair-On Leather Care:** For bags with hair-on leather (e.g., Wild Frontier Backpack), brush gently with a soft-bristled brush to remove dirt. Avoid excessive water exposure to preserve the texture.
5. **Canvas & Woven Fabrics:** For bags with canvas or woven materials (e.g., Nomadic Zigzag Tote), spot clean with a mild detergent and a soft cloth. Do not machine wash, as it may damage the fabric or leather accents.
6. **Avoid Overloading:** To preserve the bag's structure, avoid overloading with heavy items. This helps maintain the stitching and shape over time.



Warranty Information

Belarg stands behind the quality of our craftsmanship. We offer a 2-Year Limited Warranty on all our products, covering manufacturing defects in materials and workmanship under normal use.

1. **What's Covered:** Defects in leather, stitching, hardware (e.g., zippers, buckles), and structural integrity.
2. **What's Not Covered:** Damage due to misuse, improper care, normal wear and tear (e.g., scratches, fading), or accidents (e.g., water damage, tears).
3. **How to Claim:** Contact our customer service team at support@belarg.com with your order details and photos of the issue. We'll guide you through the process and, if approved, provide a repair or replacement at no additional cost.
4. **Note:** Proof of purchase is required for warranty claims. This warranty is non-transferable and applies only to the original purchaser.
